**B. Selected peer-reviewed publications (in chronological order).** Do not include publications submitted or in preparation.

1. Bosker G, Billica B, Bonanni P, Fermire S, Haddon R, Merlino G, Sandowski S, Smith E, Stander P, Volturo G Outpatient Management of Bacterial Infections in the Lower Respiratory Tract (OMBIRT Report), in Bosker G, editor, Infectious Disease Update, 2003, Yale Press, New Haven.

**C. Research Support.** List selected ongoing or completed (during the last three years) research projects (federal and non-federal support). Begin with the projects that are most relevant to the research proposed in this application. Briefly indicate the overall goals of the projects and responsibilities of principal investigator identified above.

### Ongoing

(Moore & Richard) 7/1/00 - 6/30/03  
Robert Wood Johnson Foundation  
Collaborative Interdisciplinary Team Education Program "Catalyst for Kids"

Building on the Quality Resource Unit, this initiative will establish "learning teams" in the MHMC General Pediatrics practice, with the goal of improving care for their patients, especially those receiving care through managed care Medicaid programs. Will also establish interprofessional education for pediatric residents, nurse practitioner students, and pharmacy students and residents.

Role: Curriculum Director

U50/CCU520278-02 (Broderick J, Katzan I) 9/1/01 - 8/31/03  
Centers for Disease Control  
Paul Coverdell Ohio Prototype Stroke Registry

The major goal of this project is to develop the Ohio prototype for a national registry of stroke care and outcomes.

Role: Co-Investigator

(O'Toole E) 1/1/03 – 12/31/05  
John A. Hartford Foundation and Society of General Internal Medicine  
SGIM Collaborative Center for Research & Education in the Care of Older Adults at MetroHealth Medical Center

Major goal is to identify and foster development of generalist physician-educators who show the potential to transform education and goals of training to prepare the future physician workforce.

Role: Evaluator

### Completed

None
