IF15 Ethics Interest Group
IF17 Part-Time Careers Interest Group
IF18 Research on Careers Interest Group
IF19 Mental Health in Primary Care Interest Group
IF20 Disaster Preparedness and Response Interest Group
IF21 International Medical Graduates (IMGs) & SGIM-Partnership for success
IF22 Environmental Health For The General Internist
IF23 Pathways to Leadership for Minority Faculty
IF24 Physicians Against Violence. (12:30-1:30 pm)
IF25 Hospital Medicine Interest Group

2.0 Hours: Opening Plenary Session and Presidential Address

Friday, May 14, 2004, continued

Please check the box of each session you attended

1.5 Hours: Concurrent Session B

VA Symposium, Part I

Update in Perioperative Medicine

Oral Abstract Session B1: Hamolsky Finalists

Oral Abstract Session B2: Lipkin Finalists

Oral Abstract Session B3: Chronic Disease Epidemiology, Care and Management

Oral Abstract Session B4: Disparities in Health

Oral Vignette Session B1

Oral Vignette Session B2

Oral Vignette Session B3

Workshops:

WB01 Domestic Violence: Understanding the Perpetrator

WB02 Addressing Disparities Through A Genetics & CC Curriculum

WB03 Working Conditions and the Quality of Primary Care

WB04 Physician-Patient Communication in the Era of Telecommunications

WB05 A Case-Based Approach to Using New Diabetes Treatments

WB06 Empowering the Internist

WB07 Improvement is Possible

WB08 Residents-As-Teachers Curriculum

WB09 Making It Count Twice

WB10 How to Best Incorporate Community Preceptors in Teaching Programs

WB11 Imagined Voices

WB12 Incorporating International Health Experiences into Training and Practice

WB13 Research with Large Databases

WB14 Developing Part Time Careers in Academic GIM

1.0 Hour: Meet the Professor Session

MF01 John Ayanian, MD, MPP

MF02 Helen Burstin, MD, MPH

MF03 Carolyn Clancy, MD

MF04 Tom Delbanco, MD

MF05 Lee Goldman, MD, MPH

MF06 Rodney A. Hayward, MD

MF07 Wishwa N. Kapoor, MD

MF08 Anthony L. Komaroff, MD

MF09 Kurt Kroenke, MD

MF10 C. Seth Landefeld, MD

MF11 Ann B. Nattinger, MD, MPH

MF12 Patrick O'Connor, MD, MPH

MF13 Eliseo Perez-Stable, MD

MF14 Martin Shapiro, MD

MF15 William A. Tierney, MD

1.5 Hours: Concurrent Session C

Update in Hospital Medicine

VA Symposium, Part I

Oral Abstract Session C1: Joint Abstract Session with the AAPP

Oral Abstract Session C2: Medical Education Abstracts

Oral Abstract Session C3: Quality of Care Abstracts

Oral Abstract Session C4: Geriatrics Abstracts

Oral Vignette Session C1

Oral Vignette Session C2

Oral Vignette Session C3

Innovations In Medical Education Oral Presentations

Innovations In Practice Management Oral Presentations

Friday, May 14, 2004, continued

Please check the box of each session you attended

Session C, continued

Workshops:

SRF1 Career Development Workshop

WC01 Doctor 'Tengo Un Guayabo' (*MUCHO TEQUILA*).
